NEW POND HOME MINIBUS ENJOYED BY RESIDENTS; PREVIOUS MINIBUS DONATED TO WRENTHAM SENIOR CENTER

Wrentham, MA—April 15, 2015

Pond Home Administrator Rebecca Annis is pleased to announce that a new, 2015 minibus is now in operation to transport residents to and from social events and medical appointments. This new minibus can accommodate residents in wheelchairs, and has a rear-view back-up camera for added safety, as well as a CD player for the residents' enjoyment.

Fran Goncalves, Pond Home's Activities Director, recently took the first trip on the new minibus along with several residents when they attended lunch at the Tri-County Regional Vocational Technical High School in Franklin. "It was like taking a baby out for the first time," commented Goncalves. "Making sure no one came too close, taking pictures...the residents said they were very impressed with how smooth the ride was, and how warm and comfortable it was."

The 2001 Pond Home minibus has been donated to the Wrentham Senior Center. Janet Angelico, Director of the Senior Center, commented, "We are just so thrilled that the Pond Home donated this minibus to us. It came at just the right time." Driver Paul Busheme added, "This will make a big difference for our seniors." Mike Vounatsos of the Wrentham DPW commented, "It's like going from a Buick to a Cadillac!"

About Pond Home
